

Licensed Therapist - Trauma Informed Schools Program

Aspire Counseling, a non-profit mental health organization in Gaithersburg, MD, has an opening for a part-time to full-time therapist in our Trauma Informed Schools program. This is a wonderful opportunity for a licensed clinical level mental health therapist (LCSW-C, LGPC, or similar). Must be eligible to be credentialed with Medicaid to provide services.

The Trauma Informed Schools program is an exciting new initiative of Aspire Counseling and our community partners. Therapists will work independently with clients to provide therapy to children who have been affected by traumatic events. Therapists will also help educate school-based staff on the impact of trauma in children.

The position will work with Middle School aged children in the school setting. The position is located in Montgomery County.

This is a 32- 40 hour per week, hourly position. Bilingual Spanish-English skills are required for this position.

Aspire Counseling does NOT provide medical insurance coverage. We do provide a competitive hourly wage, clinical supervision, 18 hours of continuing education credits per year, paid holidays, vacation and sick time, and the opportunity to take part in our Flex Spending Accounts.

Applicants should apply via the [Indeed.com](https://www.indeed.com) site.
